

Invest in the well-being of people everywhere.

'Twas the night before New Year's, and all through the land,
Americans are sitting with checkbook in hand.
Where to say "yes," and when to say "no?"
My measly paycheck has so far to go!

How do I choose between causes so fine
If one is the winner, another left behind?
Then here in the pile a solution appears!
A gift for the world that makes it all clear!

I can help my profession, my community too.
The world would be better. Too good to be true?
A visionary role in the EMDR history
For such a small sum? Hardly a mystery!

If all of us join the Visionary Alliance Revolution
We'll come together for an \$810,000 solution!

2012 will soon be here.
The choices we make will be quite clear.
To meet our goal -- EMDR's continued success
Your participation's required - do more, and not less!

We are asking YOU to become a Charter Member of the Visionary Alliance by making a minimum pledge of \$15 per month. Imagine what we could accomplish if every EMDRIA member joined the Visionary Alliance. ***That's the \$810,000 Dream!*** Share the vision!

Happy New Year to All from the EMDR Research Foundation!
