

Join the Visionary Alliance

As 2012 quickly comes to a close, please consider joining Visionary Alliance or increasing your monthly gift. The organization continues to flourish thanks in large part to the generous giving from people like you but the good news is that we can do even more! With your gifts, we are able to continue to provide vital grant money for research that helps shed light on the benefits of EMDR therapy. For just \$15 a month, you could become a sustaining member of the Visionary Alliance while helping to plant the seeds that could positively impact someone's future! Also, remember that if you join the Visionary Alliance before the end of the year, you will be entered into a raffle for fabulous prizes. This year's gifts include a vacation time share week valued at \$2000, a 1 year EMDR Therapist Network Membership, an EM Wave2 from HeartMath, a winner's choice of any book from the Trauma Institute, a TacAudio Scan, and a Celtic Art Therapy Plate. Don't wait until it's too late, [JOIN NOW](#).

End of the Year Gift

The EMDR Research Foundation is only able to do what it does thanks to your gifts. So this holiday season, please consider giving the gift of life changing research to those who need it most. The more we know about EMDR, the more we can help and that help relies on you! Conveniently, if you donate by December 31, you can also count your contribution towards your yearly tax deduction. However, why wait until then when it is always more fun to give now!

Special Thanks

Since this is the time of year when we give thanks, the Foundation would like to extend a special thanks to all of you who support EMDR research financially, through time and energy, and through word of mouth. By your gracious efforts, each year the Foundation is able to reach out to more and more people and touch more and more lives.

From the President

Wow, once again the excitement and enthusiasm at the Foundation's booth at the EMDRIA Conference was felt throughout the Exhibit Hall. Last year I wrote, "*Build it and they will come*" to describe the energy surrounding our booth. This year, I can describe it as "Build it and they will come" on steroids! In two or so short years, the interest and enthusiasm in the EMDR Research Foundation (ERF) has grown by leaps and bounds. The EMDR community generously donated at the booth and showed a growing interest in the projects they are helping to fund, the opportunities for involvement, and how to become a board or committee member. This increased energy and enthusiasm created the excitement that was obvious throughout the Conference.

The EMDRIA Conference has always offered the opportunity for inspiration, sharing of ideas, and to enjoy the collective energy that surrounds EMDR. [Click on this link to read the full article...](#)
